## POS Gets Smart

Many quick-serve brands are capitalizing on the popularity of smart phones and rolling out contactless payment solutions. Experts say it's just a matter of time before this payment solution is

mainstream.

## Bojangles' Raising Funds For Public Education

Bojangles' announced that more than 100 restaurants across South Carolina have raised \$20,000 for South Carolina Future Minds, a nonprofit organization dedicated to supporting teachers and public education.

## Donato's Revamps Online Ordering

"The new platform makes ordering simpler, with fewer clicks, and is now twice as fast as our original system," says Todd Young, vice president of operations for Donatos Pizza.
